ANNIVERSA-READ: On Monday, Ben Shapiro, #1 was the Executive Director again. This meant it was time for our 2nd Anniversa-read! We celebrate our job anniversary by having an Anniversa-read. The only homework is to read and fill in the sheet. We have to write a prediction, questions, and a summary. We have to find a part of the book where we notice good writing (Author Attention), and we have to write about any boulders that came up. What did the Anniversa-read assignment make us think about that we wouldn't have noticed if we just read? Which parts of the sheet were easier or harder? Why is it?
